ANTISEMITIC CONSPIRACY

ANTISEMITIC ANTI-ZIONISM

ENGLISH TRANSLATION

When we speak about Gaza, we are not speaking of a strip where 2 million Muslims are being exterminated now; rather we speak of the nation of one body. Our brothers in Gaza are fighting now on behalf of the Ummah, and no one is unaware of the Jew's hatred, nor their envy, nor their rancor toward Muslims. "They will spare no effort to ruin you; they wish you harm. Hatred has already appeared from their mouths, and what their breasts conceal is greater." They have shown hostility to the Prophet (peace be upon him) while he was still among Quraysh in Mecca, and showed him hostility when he emigrated to Medina, and showed hostility to the rightly-guided caliphs after him, and they show hostility to every believer.

This is therefore entrusted to the scholars of these regions, people of competence and religious commitment, who devise a program for making Sharia the governing standard according to what the requirements of time, place, and their surrounding circumstances allow.

Among the most prominent features of belief is that the decisive proof and the supreme judgment is the Sharia alone: what is lawful is what God and His Messenger made lawful, what is forbidden is what God and His Messenger forbade, and the religion is what God and His Messenger legislated. Whoever permits what is unanimously forbidden, or forbids what is unanimously permitted, or changes what is unanimously legislated in the Sharia, thereby removes the bond of Islam from his neck.

To establish the religion, the nation, the community, justice, goodness, the caliphate of Islam, the cultivation of the earth, the worship of Allah in this land. And Muhammad, when he moved from Mecca and Medina, the same. We have the same–this is our homework here in America, to make Islam exist here. If you don't, you are nothing, you do nothing.

HOSTILITY | REJECTION OF SECULAR LAW | DIVINE LAW OVER DEMOCRATIC LAW

ENGLISH TRANSLATION

In Western democracies, the peoples are the source of authority and the source of the legal system. That is, parliament is what declares things lawful and unlawful; it is a lord in place of the Lord, so to speak. [An unclear word, possibly "gambling" or "betting"] is lawful, lawful. Sexual deviance (homosexuality) is lawful. Marriage contracts between men and men are lawful. Who made these lawful? Parliament, because the source of the legal and legislative system is human beings, the whims of human beings. [Whereas] Allah, glorified and exalted is He, has removed the hand of human beings from legislation and made the decisive proof and the highest ruling the Sharia. [He gave the ummah the right to authority. What does authority mean? It means appointing its rulers, monitoring them, and removing them. But everyone, ruler and ruled, is under the authority and sovereignty of the Sharia.] So if the ummah is above the government, then the Sharia is above the ummah and above the government. The decisive proof and the highest ruling is the Sharia. What is lawful and unlawful is referred back to Allah, mighty and majestic is He, and to the Prophet, peace be upon him.
