DEATH RULINGS | INTIMIDATION OF APOSTATES

ENGLISH ORIGINAL

when someone leaves the fold of Islam or commits treason then it is permissible for them to be killed but even still it's not your decision or my decision it has to come from the sultan or the imam or the Amir al-Mu'minin, or if a judge, if a hakem or a qadi, then gives the hadd, gives the punishment for this. Just you or I just can't say, well, someone committed treason, then we go shoot him in the head. This is Islam– respects the law and order. This would be un-Islamic. Islam respects law and order, dear brothers.
