PRAYS FOR KILLING OR DESTRUCTION HOSTILITY TO LGBTQ+ VISIBILITY

ENGLISH ORIGINAL

Similarly, um, uh, it's prohibited—homosexual acts, homosexual sexual acts are prohibited, and liwat specifically is prohibited by consensus, prohibited by reason, prohibited by, uh, any kind of decency or muru'a, no matter what anybody says. And you all, um, you have permission—automatic beat down. Khalas. In addition to being prohibited in the Sharia, someone's getting down like that, exposing you to that—permission, automatic beat down, first thing. Automatic beat down, no matter where you are. We'll straighten it out after that. Talk to the shaykh, enroll you in seminary. Okay, everybody? We're rolling these; just let them know we taught him. Somebody behaves like that, it's automatic beat down, right, certain. And then we'll sort it out later. I'll, I'll, I'll take responsibility for that. So, automatic beat down, that one.

PRAYS FOR KILLING OR DESTRUCTION | ANTISEMITIC ANTI-ZIONISM

ENGLISH ORIGINAL

And they're killing al-anbiya [the prophets]. They're killing al-anbiya [the prophets]. They killed 70 prophets in a single day. Seventy. They killed Yahya... They tried to kill the Prophet Muhammad, peace be upon him, and they [in Arabic:] had a role in his death. They tried to kill the Prophet Muhammad, and they had a cause in his death because a Jewish woman poisoned him after Khaybar, right? ... That's how they get down. So you see them killing our brothers and sisters in Gaza, don't be surprised. They kill our prophets.

DEATH RULINGS | INTIMIDATION OF APOSTATES

ENGLISH ORIGINAL

A warring disbeliever, right? A disbeliever that we're at war with ... apostate and ... someone who has been ... a fornicator who was chaste or an adulterer, right? ... Because the Sharia has ordained that they are to receive the punishment of execution, right? If the Sharia is already saying that they're executed, and then you're gonna go and try to save their life by breaking your fast, no. Their life was supposed to be gone anyways, right? So it doesn't make any sense.

DEATH RULINGS | REJECTION OF SECULAR LAW | INTIMIDATION OF APOSTATES

ENGLISH ORIGINAL

If he does not repent, i.e., if he does not recant his belief with the two testifications of faith, he is asked to repent, i.e., he is ordered to return to Islam through the two testifications. Nothing is accepted from him except Islam or execution. The caliph executes him according to the conditions mentioned in the long books... That's only the job of a legitimate Muslim ruler, and we're in a non-Muslim jurisdiction. So nobody possesses that authority here. We cannot apply prescribed punishments, um, in this environment. It's not permissible.

Their life is not inviolable. Why? Because they could be executed for that. They broke their covenant with Allah, exalted is He. We'll cover that in an upcoming lesson.

And the Prophet said, “Except three: murder, a married person fornicating or previously married person fornicating, and apostasy.” ... And in the case of the apostate, they're ordered to repent. It's obligatory. They gotta come back to Al-Islam or that punishment.

But right in front of you, right, right, right in front of you someone corrals your brothers and sisters and shoots rockets at them and sits there and defend it in the name of what? In the name of Kufr... Those who disbelieve. Of who? Ahl Kitab... Ula'ika sharul bariya. Those are the worst of humanity... So if the worst of humanity corrals people up and shoots rockets at them, what would you expect?

He judged that all the adult men be executed, all of them, hundreds, like 600, and some people, they're uncomfortable with that. Uh, I just say Allahu Akbar, Allahu Akbar, Allahu Akbar ... Sometimes people like that have to be dealt with like that. That's rahma, you know what I mean. It's easy to sit, sit somewhere comfortable and never want to see justice established. But yeah, you know, if you're really oppressed by that type of stuff, you want someone to come and establish some justice.

Any legal code in Wayne County that doesn't conform to the Book and the Sunnah is the judgment and the rule of ignorance. Any legal code in Missouri that doesn't judge according to the Sharia is the Judgment of ignorance. Anything in what they call their constitution that doesn't judge according to the Book and the Sunnah is the Judgment of ignorance.
