As you know, today there is this army called Hezbollah, and people say, "Oh, America, don't talk about that. You know, it's been deemed a terrorist group." Yeah. Yeah, of course. When you defend your land and you're successful and you can't do anything about it, yeah, you know, point names at them. Call them bad names. They're not invasive. They haven't invaded anybody. Since when did we condemn somebody for protecting their land?

ANTISEMITIC CONSPIRACY | ANTISEMITIC ANTI-ZIONISM

ENGLISH ORIGINAL

Where you ask Allah, I don't want to be anything like these Jews, these Zionists. I don't want to be anything like these people that are trying, these elitist groups that are trying to destroy the world. Oh Allah, I only want to worship you. I don't want anything to do with this. They have their religion. I have mine. I want nothing to do with them. Oh Allah, tell me things about myself that I need to change so I don't take their attributes. They're angry, Allah, remove anger. They're selfish, remove it. They're vindictive, remove it. They're manipulators, remove it.

HOSTILITY | ANTISEMITIC ANTI-ZIONISM

ENGLISH ORIGINAL

What happened? The Jews became angry and now they're cursed with that anger to the point where even if they take Gaza and now they're taking the West Bank, do you think they're going to be happy with that? What does Allah say? They won't be satisfied. And if they take Lebanon, will they be happy with that? No. And if they take Iran, will they be happy with that? Allah says your curse in this life is when you follow your low desires and you rule with anger. Nothing will satisfy you even if God gives you the world.
