O Allah, grant him victory, and through him grant victory to Your religion; through him grant victory to Your allies, his allies, his Shi'a, and his supporters, and make us among them. O Allah, give him refuge from the evil of every rebel and tyrant, and from the evil of all Your creation. Protect him from before him and from behind him, from his right and from his left, guard him, and prevent anyone from reaching him with harm, and protect in him Your Messenger and the family of Your Messenger. Through him manifest justice, support him with victory, grant victory to those who support him, forsake those who forsake him, break those who seek to break him, and through him break the tyrants of unbelief. Through him kill the unbelievers, the hypocrites, and all the atheists wherever they are, in the eastern and western reaches of the earth, on its land and sea. Through him fill the earth with justice and manifest the religion of Your Prophet.

And this is a major victory for the Houthis and the Palestinian cause, something that isolated Israel through that which they did. You see, they're probably the poorest country of the Arabs, and they have nothing, yet they stood in defense of Gaza and they stood in the defense of Palestine, and look, it paid off.

Today, brothers, you see a truth, not only do we know it, the world knows it: there is no corruption on this earth except that this group is behind it, except that this, global Zionism and these people, are behind it. These are behind every corruption. You know, by God, today, now, in these Western countries, wherever there are clubs of corruption, of prostitution, of indecency, of vice, of gambling, all the liquor clubs, this sect is behind all of them; these people are behind them. Because their goal is to corrupt the world.

You look at today, if you look at the rabbinical Jews and you look at Christianity, that blatantly is capable of committing these crimes in the world today of total destruction of the human race. It's because their tawheed is upside down. The ones who believe in a God who chooses a people and then trashes the rest of humanity and calls them Goyim and says you can kill them and rape them and eat them and murder them–such a God does not exist. In fact, whoever claims that such a God exists is a polytheist, is a mushrik, is the enemy of God.

Now, is the prophet not more important to me than myself? Yes. To all the Muslims out there, please, who are listening to this. Please wake up and look in the mirror. When the prophet gives you something, can you take it back? Allahu Akbar. When he died, they took it back. So, what did they actually say? That he's not the prophet. We don't follow him. You have lost your Iman. You've become a munafiq. How dare when the prophet leaves something, especially to his daughter, and then you decry this ludicrous argument that it's that prophets don't inherit. Then whoever says that, including the caliphs, never read the Quran.

In addition, there is a promise in the Noble Qur'an that God will not let this cancerous state remain among the Muslim countries. God will not let it remain. "And We decreed to the Children of Israel in the Book: You will surely cause corruption on the earth twice, and you will surely become greatly arrogant. Then, when the promise of the first of the two came, We sent against you servants of Ours, possessors of severe might, and they probed through the midst of the homes; and it was a promise fulfilled. Then We gave you back the upper hand over them, and We aided you with wealth and sons, and made you greater in numbers. If you do good, you do good for yourselves; and if you do evil, it is against yourselves. Then, when the promise of the latter came, [We sent them] to sadden your faces, to enter the mosque as they entered it the first time, and to utterly destroy whatever they had conquered."

This shows you the danger of power and the danger of money and wealth, where one, one Zionist lobby controls all of Congress. Just a few days ago, Congress passed a resolution equating anti-Zionism with antisemitism, meaning that if you are criticizing Israel in America, it's as if you are carrying out hate speech and speaking against all Jews, equating antisemitism with anti-Zionism. And you see that only a handful, only about fourteen members of Congress, they voted against this. This shows you that the majority of those who are in Congress, they are willing to take away freedom of speech, freedom of democracy, rights, away from Americans, away from people, just to protect the interest of a foreign country, just to protect the interest of Israel. If there was any other lobby in America lobbying for Russia or lobbying for China or lobbying for anyone else, right away, they would arrest them, and they would stop them. But because it is an Israeli lobby, you see that they are quiet.
