ANTISEMITIC ANTI-ZIONISM

ENGLISH TRANSLATION

O Allah, revealer of the Book, mover of the clouds, defeater of the confederates, O Allah defeat the Zionist aggressors, O Allah deal with them for they cannot escape You, O Lord of the worlds. O Allah shake the earth beneath their feet, O Allah count them one by one and kill them all, scattering them, and do not leave a single one of them except those You wish to guide, O Lord of the worlds.

DEATH RULINGS | REJECTION OF SECULAR LAW

ENGLISH ORIGINAL

The only time that a Muslim can kill another Muslim rightfully is only in three conditions. A person for a person. The person who has committed zina [adultery] after he's married. A married Muslim who commits zina. Those who have left their religion and have separated themselves from the greater community, the jama'ah [community].

ANTISEMITIC CONSPIRACY | ANTISEMITIC ANTI-ZIONISM

ENGLISH ORIGINAL

For some people, it's success that they take the land of another people and they say to themselves, "We're the chosen people," and they commit a genocide. That's success for them. We understand the truth must come full circle, and Allah will destroy these people one day. Say amin.

HOSTILITY

ENGLISH ORIGINAL

Sheikh Yusuf al-Qaradawi was arguably our modern world's one of the most influential Islamic scholars. His ideas, his lectures, his writings, all these organizations that he founded, all the work that he did helped shape current Islamic thought, Muslim identity, East and West alike. He passed away last month at the end of September, at the age of 96 Gregorian years and 100 Hijri years. And we witnessed the end of this era. He had this huge impact on Muslims globally, whether we realize it or not, directly or indirectly. And I'd like to take some time today to reflect on his life and legacy. ... The first, dynamism. Sheikh Al-Qaradawi led a very dynamic life full of work, productivity and barakah at all levels for a whole century. MashaAllah.

ENGLISH ORIGINAL

These are six quick lessons that I believe we can derive from the life of Sheikh Qardawi, and when you think about it, applying these lessons led Sheikh Qardawi to be a man of principle, a man who stuck to his guts, one of the few scholars all over the world you see who never changed his position on Palestine or Kashmir. He did not give in. He suffered, went to jail.

Questions for policymakers

1. What review did the funding agencies conduct of statements broadcast by Muslim Unity Center before awarding $195,000?
2. Does the Nonprofit Security Grant Program screen applicants for incitement from their own pulpits?
