PRAYS FOR OR CALLS FOR KILLING OR DESTRUCTION

ANTISEMITIC ANTI-ZIONISM

ENGLISH TRANSLATION

O Allah, grant victory to our oppressed, wronged brothers in Gaza and in Palestine. O Allah, grant them victory over the unjust, usurping Zionists, O Lord of the worlds, for they cannot elude You. O Allah, show us upon them a day like the day of ‘Ad and Thamud. O Allah, count them in number, kill them separately, and do not leave any one of them ever.

Just right now, people are scared to implement Sharia. Sharia is very clear what we're going to do with that guy. Sharia does not believe in immediate killing. Because you've caused so much harm, you've inflicted harm upon so many souls, and you are considered as a Mufsid, Sharia immediately orders that you are crucified, you are hung, and your limbs are cut off until you die. For everyone to see that and to say, "I can never cause corruption again." And that's clear in the Quran. Immediately, in front of everyone in public you cut their hands and legs.

warning you and I from following the steps of Banu Isra'il. Nothing made them satisfied. Nothing. And I'm telling you right now, when it comes to Palestine, nothing is going to make them satisfied. People talk about '65, '48, until they take over everything, and this is who they are from the beginning. There's no such thing as satisfaction. The sense of greed is in them. It's there. It is deeply rooted.

Because the Zionists, man, they never miss an opportunity to do evil. As somebody beautiful said it, he said, “You know, there is nobody in hell because all the Zionists are still in Israel.” And we believe that. May they all go to hell, despise them, despise them with all my heart.

So yes, fighting against the IDF is jihad. It's jihad. Like, why do you have kids in different schools, even in Michigan, that wear IDF shirts? But for us, because of these labels, people are living in fear. And so, just making dua for these people.

Subhanallah, the Zionists and what they're doing, and the IDF, all the media outlets and all the power in the world they have, it's beyond your imagination. It's like the power these people have, and, and, and I've shared this with, with some of our youth, Subhanallah. Imagine if, you know, just the pager incident, I don't think people focused on it as much. You know, the pager incident that happened in Lubnan. You know, you know how strong you have to be to have such, um, you know, uh, planning and how big your operation is just to have that? This is just one example. You have to own the company that's taking the order, receiving the order, making the pagers, then sending them somewhere else. It's like how many informants do you have? Like, how much do you own to run all of this when Hezbollah thought that this was completely private?
